### ESSAY CONTEST

The Citizenship Committee, under the direction of Chairman O. B. Herigstad, of Minot, and the Vice-Chairman for the three Congressional Districts, H. F. Horner of Fargo, Asmunder Benson of Bottineau, and G. A. Lindell of Washburn, has again performed a very credible piece of work, and is entitled to the whole-hearted commendation of the Bar.

An unfortunate slip-up in the printed rules, which failed to specify the time limit for the presentation of essays to the judges in the various districts, caused some confusion in one of the districts, and prevented the determination of the winners prior to the annual meeting.

The report of the committee shows that more than six hundred grade school students participated this year, the subject being, "Why every citizen should vote."

The prize money was divided as follows by the Committee: Eight prizes in each Congressional District, to wit: \$25, \$15, \$5, and five of \$1; and two prizes for the final State contest, to-wit: \$35, and \$15; total prizes \$200.

The Committee hopes to complete the contest in time to present the winners and the winning essay for the State contest with the published proceedings of the annual meeting.
